

# London Bridge, United Kingdom. 1616, vintage engraving

# Angarrack railway viaduct in Cornwall, UK

The eleven-arch granite viaduct carries the railway across the steep-sided valley of the Angarrack River. The original viaduct was designed by Isambard Kingdom Brunel

**The Maldon-Castlemaine (Goldfields Railway) have trestle bridges along the line.**

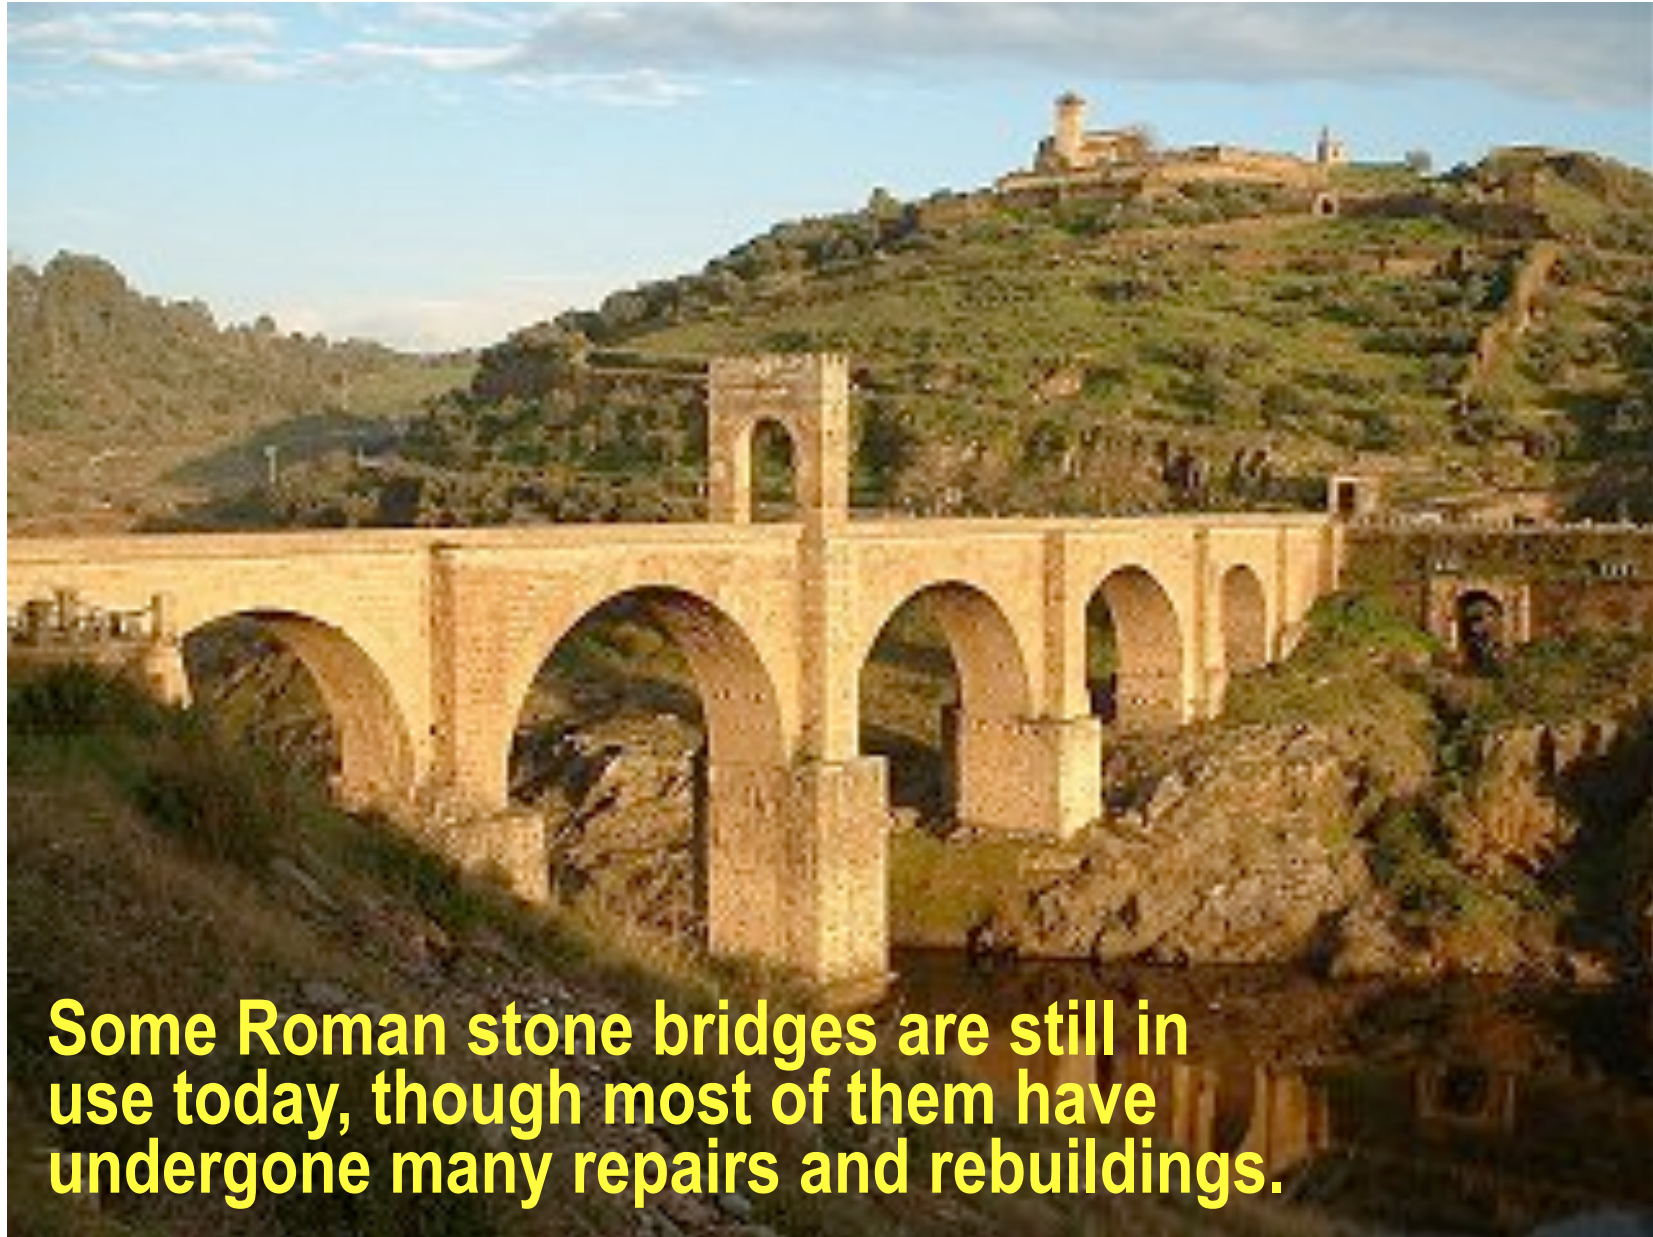

**Puffing Billy is still running on its original  
mountain track from Belgrave to Gembrook.**

**In the Dandenong Ranges and a genuine  
relic of more leisurely days.**

**Some Roman stone bridges are still in use today, though most of them have undergone many repairs and rebuildings.**

The Victorian Goldfields  
Railway train crosses the  
historic trestle bridge  
over Campbells  
Creek.

# The Ponte Sant'Angelo, Rome, Italy

## The Pont Valentré, Cahors Bridge, France

# Ponte Vecchio, Florence, Italy

Ponte Vecchio, Florence, Italy

# The Kapellbrücke, Lucerne, Switzerland

**The Charles Bridge, Prague, Czech Republic.**  
The many additions of later times contributed to  
the unique view of the city of Prague itself.

# Rialto Bridge, Venice, Italy
